FYI

Here are the most recent letters that were sent to the Corps. Sorry I'm a bit late, things have been too busy!

The current status is that the applicant has requested an updated JD of the parcel by Elbow Road to confirm the acreage of uplands and reiterated the request upon receiving the 3(b) letter... I saw a draft of the Corp's review letter, but I'm not sure if it was sent yet. I'll let you know if I hear anything else.
